## SECONDARY PRELIMINARY AMENDMENT

United States Patent and Trademark Office  
PO Box 2327  
Arlington, VA 22202

Dear Sir:

In response to the Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures mailed on March 21, 2002, setting a two-months term, Applicants hereby request the entry of the substitute "Sequence Listing" submitted herewith into the specification, starting on a new page, immediately following the claims. The present substitute Sequence Listing serves to replace the Sequence Listing filed on October 24, 2001. With further reference to the above-mentioned application, please consider the following amendment.

### In the Specification:

Please insert the following new paragraph at page 1, line 2, and immediately following the title of the invention:
